WILLIAM SEBRING
 IMPROVES this opportunity in returning
 thanks to the inhabitants of Ottawa and its
 vicinity for the liberal share of patronage they
 have formerly given him. If strict attention
 to his business—long experience as a practical
 Cutter—employing first rate workmen—doing
 work with punctuality, fitness and despatch, will
 ensure a continuance of that patronage, he is confident
 he shall receive it.
 He still remains at the stand over G. L. Thompson's
 Drug Store, one door North of the Mansion
 House, where he is prepared to do all kinds of
 work in his line of business, with which the public
 may favor him, in the latest fashion and on reason-
 able terms.

Hay's Liniment.
NO FICTION.—This extraordinary chemi-
 cal composition, the result of science and the
 invention of a celebrated medical man, the intro-
 duction of which to the public was invested with
 the solemnity of a death bed bequest, has since
 gained a reputation unparalleled, fully sustaining
 the correctness of the lamented Dr. Gridley's last
 confession, that "he dared not die without giving
 to posterity the benefit of his knowledge on this
 subject," and he therefore bequeathed to his
 friend and attendant Solomon Hays the secret of his
 discovery.
 It is now used in the principal hospitals, and
 the private practice in our country, first and most
 certainly, for the cure of the Piles, and also so
 extensively and effectually as to baffle credulity,
 unless where its effects are witnessed. Externally
 in the following complaints:
 For Dropsy.—Creating extraordinary absorp-
 tion at once.
 All swellings.—Reducing them in a few hours.
 Rheumatism.—Acute or Chronic, giving quick
 ease.
 Sore Throat.—By cancers, ulcers or colds.
 Croup and Whooping Cough.—Externally,
 and over the chest.
 All bruises, sprains and burns, curing in a few
 hours.
 Sores and Ulcers.—Whether fresh or long standing,
 and fever sores.
 Its operations upon adults and children in re-
 ducing rheumatic swellings, and loosening coughs
 and tightness of the chest by relaxation of the
 parts, has been surprising beyond description.—
 The common remark of those who have used it in
 the Piles, is "It acts like a charm."
 For sale by E. Dewey, Apothecary's Hall, and
 S. Sawyer, Dearborn street Chicago.
 A base attempt has been made to imitate Hay's
 Liniment, and infringe upon the copy and other
 rights of the proprietors. Never buy Hay's Liniment
 unless it has a splendid engraved wrapper, and
 the written, mind written signature of com-
 stock & Co.
 All others must be impositions. Any person ven-
 ding any other article, by the name of Hay's Liniment,
 either at wholesale or retail, will be prosecuted
 for a violation of our copy right. The oath
 of Mr. Hays may be found copied on our inside
 wrapper, assuring that no other person knows
 any of the component or essential parts of this
 Liniment—and that he will not reveal the secret for
 twenty years.
 U. S. District Court of the State of New York.
 Office of the Clerk for the Southern District
 of New York.
 This is to certify that the Copy Rights for the
 wrappers, and for the descriptions, and directions
 to use, Hay's Liniment, were secured in this office
 in the year 1838, by Comstock & Co., and have
 not been obtained by any other person since that
 date or before.

Oldridge's Balm of Columbia.
THE HUMAN HAIR.—Where the hair is
 observed to be growing thin, nothing can be
 more preposterous than the use of oils, grease, or
 any fatty matter. Their application can only be
 recommended through the grossest ignorance, as
 they hasten the fall of the hair, by increasing the
 relaxation of the skin. When there is a harsh,
 dry, or contracted skin, and where the small blood
 vessels which carry nourishment to the bulb are
 obstructed, then the oils, &c., may be good, as
 they tend to relax the skin; but alone, they are
 of no avail. There must be a stimulus, to rouse
 the vessels from their torpor, and quicken the cir-
 culation of the blood.—Extract from *Churchill's*
Treatise on the hair.
 The Balm of Columbia is the only preparation
 that can have that effect, being entirely free from
 any oily substance. Its positive qualities are as
 follows:
 1st.—For infants, keeping the head free from
 scurf, and causing a luxuriant growth of hair.
 2d.—For ladies after child-birth, restoring the
 skin to its natural strength and firmness, and
 preventing the falling out of the hair.
 3d.—For any person recovering from any debility
 the same effect is produced.
 4th.—If used in infancy till a good growth is
 started, it may be preserved by attention to the
 latest period of life.
 5th.—It frees the head from dandruff, strength-
 ens the roots, imparts health and vigour to the
 circulation, and prevents the hair from changing
 colour or getting gray.
 6th.—It causes the hair to curl beautifully when
 done up in its own night.
 7th.—No ladies' toilet should ever be made with-
 out it.
 7th.—Children who have by any means contract-
 ed vermin in the head, are immediately and per-
 fectly cured of them by its use. It is infallible.
A CASE IN POINT.—I had unfortunately lost
 nearly all the hair from the top of my head,
 when I commenced the use of the Balm of Colum-
 bia, and have, by the use of two bottles, had my
 head covered with a fine growth of hair. There
 can be no mistake in the matter, as any of my
 friends can see by calling on me. I had also be-
 come quite gray, but had the gray hairs plucked
 out, and it has grown in, as the Balm says, of the
 natural colour. If any body doubts these facts,
 let me call upon me and see. I bought the Balm
 of Comstock & Co., 2 Fletcher street.
 A. RINDGE.
 No. 19 Counties Slip, Agent of Detroit Line,
 New-York, Nov. 9.

THE LATE MAYOR of Philadelphia has
 certified under seal of the city to the character of
 several divines, physicians, and gentlemen of high
 standing who declare positively under their own
 hands (all of which may be seen at the Office)
 that the Balm of Columbia is not only a certain
 preservative, but positively a restorative of the
 human hair; also, a cure for Dandruff. Who
 all dispute, or who go bold?
TO THE INCREDULOUS.—New York, Sep-
 tember 28th.—I have been intirely bald during
 13 years, and I have now, by the use of the genu-
 ine Balm of Columbia, my head covered with fine
 hair. I shall be happy to convince the most incred-
 ulous, who will take the trouble to call at my
 house. I have bought the article of Comstock &
 Co., 2 Fletcher street.
 J. P. SCHMIDLING,
 47, Attorney st.

A young gentleman of 3888 South Market street,
 Albany, had very coarse, stiff, and straight hair,
 all of which he lost by its falling out. He has
 used 2 bottles of Balm of Columbia from Comstock
 & Co., and now has a full flowing crop of very
 long, fine hair, which curls most beautifully! His
 father, who is one of the most respectable citizens
 of that city, is referred to for the fact.
 Mr. Lewis Millard, of Butternut, Otsego county,
 had lost his hair, and had it fully restored by
 2 bottles of the Balm. In fact the cures are so num-
 erous that it is quite out of the question to refer to
 one in a hundred of those who have experienced
 the like effects.
BEWARE!!—Some counterfeiters have at-
 tempted to imitate this article. Let it never be
 purchased or used unless it have the name of L. S.
 Comstock on a splendid wrapper. This is the
 only external test that will secure the public from
 deception.
